Note: Google Checkout only supports US Dollars and British Pounds

How do I obtain my merchant details?

1. Firstly you must have a valid Google Checkout Merchant Account, if not go to <https://checkout.google.com/sell/>, signup and complete the account creation process.
2. Login to your Google Checkout account at <https://checkout.google.com/sell/>
3. Select the tab Settings, and Integration item
4. The screen shows your details which you need to enter in ShopFactory as per the instruction at the top of this article.
5. You need to enter the GlobeCharge callback URL in your Google Checkout merchant account –

The Callback URL is:

https://www.globecharge.com/webshop/google_callback.cgi

Setup in ShopFactory

- Open your shop in ShopFactory
- Click on Properties -> Payment Methods Accepted
- The payment providers list shows up, enable the payment you want by ticking it in this case, tick "Google Checkout" option

- Click Next
- Enter your Google Checkout merchant account details (Username, currencies supported, etc.)
- Make sure you select the currency that matches ShopFactory, once set it cannot be changed in your Total Care account
- Tick the card types under Google Checkout's supported Payment Methods that you want to enable in your shop.

- Click Next

(**Note:** You can sort the payment methods display by pressing the up/down arrow)

- Click Finish

- Save and preview your shop. Place a test order.

- Republish your shop so that the changes are uploaded online.

Your shop can now accept online orders.
