- Open your shop in ShopFactory
- Click on Properties -> Payment Methods Accepted
- The payment providers list shows up, enable the payment you want by ticking it in this case, tick "DIBS" option

- Click Next
- Enter your DIBS merchant account details (Username, currencies supported, etc.)
- Make sure you select the currency that matches ShopFactory, once set it cannot be changed in your Total Care account

NOTE: If you have a new account, you must perform test transactions; to do this you enter TEST in front of your merchant ID. When ready notify DIBS and when they set your account to "LIVE" you must remove TEST in front of your merchant ID. TEST takes you to the DIBS TEST SERVER.

- Tick the card types under DIBS's supported Payment Methods that you want to enable in your shop.

The next screen confirms the card types, currencies accepted

- Click Next
- (**Note:** You can sort the payment methods display by pressing the up/down arrow)
- Click Finish
 - Save and preview your shop. Place a test order.
 - Republish your shop so that the changes are uploaded online.
- Your shop can now accept online orders.
