1. In the ShopFactory Editor click on the Customize Design Tab 2. Click your mouse over the index so the menu pops-up 3. If you want the image to appear on the left side of the navigation menu item then choose Index 2 Item => Left => Add Image from the menu (as above) 4. Choose an Image from the Image Editor and it will appear on the left hand side of the Index menu item. To add an image to the Right you need to choose Index 2 item => Right => Add Image from the menu To add an image to the "mouseover" on the left hand side you need to choose Index 2 item => Left => Add mouseover image and so On. To add an Image to Index 1 menu items, click on Index One to get the menu for Index 1 items.
