4-0087-EN-Setting up BBVA Payments in my shop

Author:
ShopFactory

Created On: 12 Feb 2014 11:14 AM

- Open your shop in ShopFactory
- Click on Properties -> Payment Methods Accepted
- The payment providers list shows up, enable the payment you want by ticking it in this case, tick " BBVA Payments" option

 - Click Next
- Enter your BBVA Payments merchant account details (ID Comercio, Clave de Encriptacion, Terminal and etc.)
- Make sure you select the currency that matches ShopFactory, once set it cannot be changed in your Total Care account
-Tick the test box if you are still on the testing production
- Tick the box under BBVA Payment’s supported Payment Methods that you want to enable in your shop.

- Click Next
(*Note*: You can sort the payment methods display by pressing the up/down arrow)
- Click Finish
- Save and preview your shop. Place a test order.
- Republish your shop so that the changes are uploaded online.

Your shop can now accept online orders.

To move to production (real environment) follow these steps:
1 .- Make at least one transaction. Use this card test:
  Card number: 4548812049400004
  Expiration: 12/20
  CVV2 code: 123
  CIP Code: 123456

2 .- Make at least one operation denied. Use this card test:
  Card number: 111111111111111
  Expiration: 12/20

Test transactions: When you are redirected to the BBVA Payments page – there are 2 pages to complete:

A)   Enter your credit card details

B)   Enter the CIP code on the 2nd page
