- Open your shop in ShopFactory
 - Click on Properties -> Payment Methods Accepted

- The payment providers list shows up, enable the payment you want by ticking it in this case, tick "*DirectOne*," option
 - Click Next
 - Enter your *DirectOne* merchant account details (Username, Password, currencies supported, etc.)
-
- To enable Masterpass payment you need to tick the box for "Show Masterpass button" and enter your MasterPass checkout id
 - Make sure you select the currency that matches ShopFactory, once set it cannot be changed in your Total Care account
-
- Click Next
- (Note: You can sort the payment methods display by pressing the up/down arrow)
- Click Finish
 - Save and preview your shop. Place a test order.
 - Republish your shop so that the changes are uploaded online.
- Your shop can now accept online orders.
