How to download and install ShopFactory Template?

This is how you should download ShopFactory Templates:

1. Copy the download link in the email sent to you after you purchased the template
2. Paste it in the browser's address bar
3. You will get an exe prompt
4. Click Save
5. After you have saved it, install the exe file
6. Open ShopFactory
7. Click Designer->Select Website Theme
8. Then you can now see it in the list of your templates. If it is not yet on the list of templates, click Refresh button.
