1. Open your shop in ShopFactory.
2. Click "Settings" menu and select "Global Settings" from the pull-down list. The Global Settings dialog box will appear.
3. On the left pane of the window, look for the "Settings for this Website" item. Under "Settings for this Website", click "Miscellaneous".
4. At the right pane of the dialog box, look for the "Round Currencies to the Nearest: " and click the drop-down button.
5. From the "Round Currencies to the Nearest" list, choose the option that you want.
6. Click OK.
