

3-0019-EN-How do I change the Department Page Id?

Author:
ShopFactory

Created On: 08 Jul 2007 12:00 AM

- Open shop in shopfactory
- On the left tree, select the page/department that you want to change the ID then click "Edit Page" from Toolbar
- A window will appear, then select SEO detail then locate Page Filename field. You can enter the name there so it will appear something like D1_mypagename.html
- Click OK
- Republish the shop
