Klarna (Pay on invoice) is only available in Sweden, Germany, Finland, Norway, Denmark and Netherland. To setup Klarna in your shop, please refer to the procedure below:

1. Open your shop in ShopFactory
2. Make sure you are using your correct GlobeCharge account. Goto GlobeCharge menu and select "Change GlobeCharge username for this shop";
3. Enter your correct username and password and click OK
4. Setup payment methods accepted. Go to Properties=>Payment methods accepted
5. The payment methods form will appear, select Show all
6. Select Klarna from the list of Payment Gateway which depends on what country/countries you want to offer Klarna payment.

For Norway:

- » Select "Klarna Norway";
- » Click Next
- » Enter your correct Klarna estore-id and secret
- » Select "Norwegian Kroner"; as currency
- » Tick "Invoice - pay in 14 days";

For Sweden:

- » Select "Klarna Sverige";
- » Click Next
- » Enter your correct Klarna estore-id and secret
- » Select "Swedish Kroner"; as currency
- » Tick "Invoice - pay in 14 days";

For Germany:

- » Select "Klarna Deutschland";
- » Click Next
- » Enter your correct Klarna estore-id and secret
- » Select "Euro"; as currency
- » Tick "Invoice - pay in 14 days";

For Denmark:

- » Select "Klarna Danmark";
- » Click Next
- » Enter your correct Klarna estore-id and secret
- » Select "Danish Kroner"; as currency
- » Tick "Invoice - pay in 14 days";

For Finland:

- » Select "Klarna Finland";
- » Click Next
- » Enter your correct Klarna estore-id and secret
- » Select "Euro" as currency
- » Tick "Invoice - pay in 14 days";

For Nederland:

- » Select "Klarna Nederland";
- » Click Next
- » Enter your correct Klarna estore-id and secret
- » Select "Euro" as currency
- » Tick "Invoice - pay in 14 days";

7. Once you completed the details in Payment details setup,click next

8. Confirm that the Klarna payment you selected is available in "Payment setup complete" page

9. Click Finish

10. You can place test orders in your shop and test if Klarna is working properly.

It is important to use the information in the test person if you place test orders.

IMPORTANT: When you are redirected to the Checkout page use the details in the Klarna test account, use the link below to find out the (test person) customers Klarna details:

<http://integration.klarna.com/en/testing/test-persons>

Then click on Set Test Person

At the GC Checkout page, enter the same details as it appears on the Klarna test account page, i.e. (very important and required) Persoonnummer of Organisatienummer: 010719701, Vornaam: Test, Achternaam: Persoon, Land: Nederland, Huisnummer: 8 A, etc.

NOTE: You can use your OWN email for testing but all other details must be the same as the Klarna test account page.
