- Click on **My Orders** button to connect to SF Cloud interface

- Click **Marketing** -> **Vouchers/Coupons**
- Click -> **Manage Vouchers** button
- Click All dropdown and select "**Reward Voucher**" to view existing reward vouchers

- Tick the checkbox besides the Voucher ID and in the "Select an action" dropdown menu, choose "Disable"

- At the "**Review existing Vouchers**" page – Show Reward vouchers to view the list
- Click on the Voucher ID of the reward voucher

- Tick the individual Reward Voucher Codes and then click **Delete** button, see screenshot:
