If you want to be charged for 12-months, you need to change your payment details to "*Pay on Invoice*" or "*Bank Transfer*". Your payment should be set to manual payment first so that in the recurring payment you can select the "Pay for 12 months..." option.

- Open shop in SF
- Click **My Orders**
- Go to **Settings** Menu/Tab
- Select **Payment Details**
- Choose "Pay on Invoice" or "Bank Transfer"
- Click "Submit" button
